Vacancy for Treasurer

A vacancy has arisen for the post of Treasurer, which is a part-time, voluntary role that includes being an Office-Bearer and Trustee of the Charity. This is a varied, interesting and challenging post, involving working closely with the NHS staff, Volunteers and Charity Trustees to ensure that the Charity's Accounts are accurate and up to date at all times.

The post would be ideal for a recently retired, qualified or very experienced Accountant looking for something to maintain their skills. The rewards come from assisting in the administration of a charity that supports a local NHS hospital providing hospice facilities.

A detailed job description can be obtained by contacting the current Treasurer at:
treasurer@friendsofroxburghehouse.co.uk
